

Graduation from the Master of Sciences in Entrepreneurship in Applied Technologies(MSEAT)

MS EAT students will graduate under the College of Business

Application to Graduate

You will need to meet the Entrepreneurship Program's deadline for filing an [application](#) for graduation which is approximately 2 *months prior* to the date on the [Registrar's Calendar](#). This allows our office time to conduct a certification check of your records. The application will need to be signed first by the Dr. Fountain BSN3520. The application can be taken to the to the College of Business Graduate Program Office BSN103 for additional signature and they can submit to the Registrar and give you back the signed application cover page, which will serve as your receipt.

Color Code for Gown and Tassel

College of Business Color (check with the bookstore)
